

TRICK-OR-TREAT FOR TP!

*A Spook-tacular Way to
Help Your Community*

WHAT IS TRICK-OR-TREAT FOR TP?

1 in 3 low-income American families struggles to purchase everyday household items — including toilet paper! In addition to food, the Hunger Resource Center at NVFS' SERVE Campus supplies toilet paper to those who need food assistance.

HOW CAN YOU HELP?

- 1. Distribute this flyer all over your neighborhood** the week before Halloween to tell your neighbors that you will be collecting toilet paper for NVFS' SERVE Campus. That way, they'll know to save a roll for you!
- 2. Collect toilet paper while trick-or-treating**, and snap a pic of yourself in costume, holding your collected rolls in triumph. Feel free to use a festively decorated wagon to haul your treasure!
- 3. Deliver the toilet paper to the SERVE Campus:** 10056 Dean Dr. • Manassas, VA 20110

Northern Virginia Family Service's (NVFS) SERVE Campus provides support to individuals and families in western Prince William County and the cities of Manassas and Manassas Park. Services at the campus have expanded over its 40-plus-year history to include a 92-bed emergency shelter, Hunger Resource Center, Early Head Start classroom, health access services and workforce development training, among other programs.
