About the NVFS Infant and Toddler Program

- The NVFS Infant and Toddler program uses a Researched-Based Curriculum and a classroom assessment tool developed by the University of Virginia to ensure the emphasis on age-appropriate social and emotional nurturing and development for each child in the classroom.
- NVFS Infant and Toddler **class size is 9** with a **1:3** adult child ratio.
- Each of the NVFS Infant/Toddler sites has received a **3 out of 5 rating** from the Virginia Quality Rating System and **two achieved a rating of 5** from the state rating system.
